Exclusively presented by the RHB Banking Group and brought to Malaysia by Yvents!, **'The Sound Of Music'** will be staged here on our shores from 21 to 26 June 2011 at the Plenary Hall, Kuala Lumpur Convention Centre. Continually playing to sell-out audiences the world over, this box-office smash which commemorates its 75th anniversary this year will enthral audiences in Kuala Lumpur with a top London cast consisting of 65 members of which includes seasoned West End cast as well as the seven children; the latter being an exception, as most young talents do not travel long distance. The London musical will feature a full orchestra playing the famed musical score which include the title song **"The Sound Of Music"**, **"Climb Every Mountain"**, **"Edelweiss"**, **"My Favourite Things"**, **"Sixteen Going on Seventeen"**, **"Do-Re-Mi"** and **"The Lonely Goatherd"**.

**'The Sound of Music'**, which marked the final collaboration between composers Richard Rodgers and Oscar Hammerstein II tells the story of a postulant who proves too high-spirited for the religious life and is dispatched to serve as governess to the seven children of a widowed naval Captain. The family's narrow escape over the mountains to Switzerland provides one of the most thrilling and inspirational finales ever presented in the theatre.

Speaking at the press conference, Principal Officer of RHB Capital Berhad, Mr. Kellee Kam said, "The RHB Banking Group has been a supporter of the arts industry for a few years now. Having collaborated with several organisers that have brought the Malaysian audience delightful shows, we are pleased to be working with the organiser, Yvents! yet again, following the partnership for 'My Fair Lady – The Musical' in 2007. We hope to participate in more engaging and entertaining shows, and of course, we would like to continue extending exciting privileges to our customers. This is one of our ways of thanking our customers for supporting us throughout the years".

He added, "The Group, in its mission to enrich communities, has continuously committed its resources to the cause of nurturing and enhancing the well being of the young. The exposure to theatre and the arts would certainly be a memorable experience, and the musical, which demonstrates the importance of family and love, provides a fitting avenue for families especially, to bond and come together".

Yvette Kang, the Managing Director of Yvents!, which celebrates its 10th year of bringing world renowned musicals to Malaysia, expressed delight at having secured the rights to bring this prestigious musical property to Malaysia and remarked that "With the blend of a poignant storyline, strong lead characters and a powerful musical score, it is not difficult
