

Payroll Like Never Before

Employee Profiles

Import, store, and maintain employee docs in one place safely in cloud. Quick and easy access whenever you need it

Payroll

All the calculations for PCB, EPF, Socso and EIS are automatically calculated by Kakitangan's system, the system guarantees that all the deductions will be correct according to LHDN's requirements

Effortless Leave

E-Leave management system gives you a detailed overview of leave balances, policies, calculations and schedules to allow you to think and manage ahead of time.

User-Friendly Dashboard

Staff profiles, payroll, leave, and integrations to other software easy to understand and custom view based on roles.

Detailed & Customisable Payslips

Clear, itemized breakdowns of earnings, deductions, and net pay, tailored to your needs. Perfect for transparency and compliance!

Easy for Newbies

Kakitangan has video tutorials and guides. User-friendly to non-HR professionals

Compliance Comes First

Updated with the latest Employment Act and statutory regulations
